FirstNet in California

FirstNet Proposed State Plan Review

Thank you for participating in this important meeting

Let your Voice be Heard!

Please provide your State Plan feedback promptly

FirstNet has released its Proposed State Plan for California's portion of the nationwide public safety broadband network and is asking for feedback from the State. This is your chance to make it *your* state plan — reflecting your agency, your mission, your job. Take advantage of this opportunity to influence the final State Plan to ensure it meets California's public safety needs.

What To Do

1. Go to www.firstnet.com and review the FirstNet service offering
2. Provide your comments on behalf of you and your agency now by filling out the feedback form on the back of this fact sheet
3. Or, provide your feedback online at www.firstnetincalifornia.org. You can also access the form on your mobile device by scanning the QR tag below
